

**WHO PAID FOR  
TERENCE'S  
TREATMENT?**

A collection of documents shows the breakdown

**\$618,616**

Total billed for medical care over seven years. Two-thirds of that was for the final 24 months.

**4,750**

Approximate number of pages of medical records collected from Medicare, six hospitals, four insurers, three oncologists, and a surgeon.

**\$254,176**

Total paid by insurers after they imposed discounts.

**\$9,468**

Total paid by family.
